

**Sightseeing** Best known for the World Heritage Ajanta and Ellora Caves, Aurangabad was a trading post on the ancient Silk route, seat of Buddhist art and learning, and capital of India under Moghul emperors Tughlaq and Aurangzeb, Aurangabad is also the base for the world's second largest meteorite crater, home to over 300 species of birds and in close proximity to the Autramghat Sanctuary and Shirdi.

Aurangabad's wealth of fascinating historical, cultural, religious and ecological sites includes the Daulatabad Fort, Bibi Ka Maqbara, Ghrishneshwar Jyotirlinga and Aurangabad Caves among many others.

At The Meadows we offer interest based curated tours to popular and lesser known attractions covering art, architecture, cuisine, birding, shopping and other themes; supported by special guides, picnic lunches, and our Aurangabad library.

**Location** The Meadows is close to the important tourist sites of Ellora, Daulatabad, Ghrishneshwar and Bibi ka Maqbara. All are within 16 km of the hotel, as is the airport. The railway station and local bazaars are all within 7 km of the resort.

### Facilities and Activities

The resort offers a range of recreation options. Apart from its varied fitness programs, outdoor activities (seasonal) include adventure sports like trekking, rappelling & parasailing, golf, birding and sanctuary excursions, bicycle trails and hot air ballooning.

On prior request, Guest Relations organize culinary demonstrations and bazaar tours.

For a more relaxed time, guests can use our little book, music and movie library, and board games. Art supplies and games are available for children.

The Travel Desk facilitates car / coach hire and sightseeing including thoughtful extras like picnic lunches, guides and shopping excursions.

Other hotel services include: money exchange, doctor on call, laundry facilities and valet service.

# THE MEADOWS Aurangabad

Escape to the historic charm of Aurangabad with The Meadows Resort and Spa. Amidst eleven acres of beautiful tropical gardens, The Meadows is a private enclave of quiet comfort and light drenched elegance. Easy access to Aurangabad's heritage attractions, coupled with resort style recreation and quality meeting and banquet facilities, provide an ideal destination for leisure and business travelers.

### Sustainable Tourism

The Meadows is one of India's first eco-sensitive hotels. Its gardens are home to over 50 species of birds and many varieties of indigenous and exotic flora. The Meadows supports sustainable tourism and implements many green measures such as rainwater harvesting, chemical free water purification and recycling, drip irrigation and organic farming, energy conservation, recycling, heritage promotion and working with local NGOs.

# THE MEADOWS

## Aurangabad

### Accommodation

Amidst the gardens and shaded pathways lie scattered 36 Deluxe and 8 Superior cottage style rooms, and 4 themed Suites. Each room has its own patio and lawn with picture windows offering views of the gardens or surrounding hills. Suites are independently sited to promote privacy and escape.

For your comfort, all rooms are smoke-free. Facilities include: Wi-fi access, daily newspaper, cable television, direct dial phones, tea-coffee makers, hairdryers, bathtubs, digital safes, linen robes and slippers. Superior rooms and Suites – the most spacious in Aurangabad – additionally offer DVD players, minibars and patio furniture. Suites have a personal bar counter.

Twice daily housekeeping includes an evening turndown service.

### Dining

The casually elegant Four Seasons restaurant and bar offers an ever changing exploration of authentic Indian dishes inspired by the cuisine of local communities, and contemporary international favourites.

The resort is proud to showcase Aurangabad's unique Deccan cuisine and also offers elaborate Maratha thalis.

The poolside Marmalade Café and Tea Lounge opens for a leisurely breakfast with fresh breads, juices & fragrant teas, and serves snacks and beverages all through the day. Read a book, write a postcard, browse the internet, or simply while the day away.

To complement the adjoining spa we have Elixir, our seasonal menu for healthy spa cuisine

A phone call brings round the clock In Room Dining and picnic lunches for sightseeing excursions.

### Pool, Spa and Fitness

The sparkling pool is refreshing, with a little wading pool for children.

Spa at The Meadows is a calm haven of relaxation and rejuvenation in a fresh Nature inspired and elegant setting. Facilities include a gym with personal trainers, therapy suites, steam rooms, sauna and Jacuzzi, rain and massage showers spa store and tranquility garden. The spa menu is a combination of ancient Indian healing traditions and popular international therapies.

For groups, poolside therapies are arranged on request.

The library lounges houses our special collection of books on Aurangabad and wellness.

Yoga and meditation sessions are conducted at the yoga pavilion. Also on offer are customized group fitness activities like boot camp, kick boxing, circuit training, and fitness games.

### Meetings, Banquets and Weddings

While maintaining the air of a country retreat, the resort incorporates two function rooms for up to 150 delegates; attached lawns are ideal for coffee breaks, informal discussions and meals.

Management and team building games, group fitness programs, entertainment, and theme dinners are organized on request.

Seven beautiful outdoor venues for up to 1500 guests are perfect for banquets and special events. The resort is well regarded for its variety of cuisines and lively theme parties.

The Meadows is a full service host for weddings. A dedicated team works right from the early planning stages to ensure a bespoke, inspired celebration. Décor, dining, entertainment, photography, spa & beauty, meet & greet, and specialty transport are some key services on offer.
